

Spoon mule cut diagram

BY DAWSON MOORE

1. Start with a 2 in. thick by 12 in. wide by 16 feet long board. Southern Yellow Pine recommended.

2. Cross cut into
 - 3, 48 in. lengths
 - 1, 35 in. length
 - 1, 13 in. length

3. Rip cut the 48 in. and 35 in. pieces down the center. Then rip off the 1/4 in. round outside edge. Each board will be approximately 5 3/8 in. wide.

4. Cut out individual parts.
